Students take a quiz showing their knowledge of the terms of figurative language shown above.

**Engagement:**

Teacher presents a sonnet they have memorized, modeling the presentation with imagery/Shakespearian language clearly interpreted.

Teacher shows their own drawings created to help visualize the figurative language.

**Procedures:**

1. Students write out the sonnet in large letters on large piece of drawing paper.

2. Students draw pictures that form in their minds next to the words that apply.
3. Students research obscure archaic vocabulary if necessary, with teacher assistance and include on the same large piece of paper.
4. Teacher reviews definitions of figurative language used, as well as the form of a sonnet, and presents example of each whole group
5. Students further decode their sonnets by interpreting the figurative language.

**Feedback to Students**

Teacher to monitor students for understanding throughout the lesson.

Students can do a pair/share to discuss their finding with a peer.
